The term electronics refers to household appliances, sound and/or image reproduction equipment and computers, but not cameras, mobile phones, tablets, portable music players or GPS devices.

Maximum compensation payable is SEK 25,000.

IMPORTANT LIMITATIONS AND SAFETY REGULATIONS IN THE HOME INSURANCE

The insurance policy contains certain limitations. For instance, there are terms and conditions under which the insurance is not valid in certain situations and there are terms and conditions on so-called safety regulations i.e. instructions explaining how to act in order to minimise the risk of loss, damage and injury. Failure to observe safety regulations may result in a reduced claim payment. For more information about which safety regulations apply for each claim, please refer to the full terms and conditions at if.se. Some of the main limitations/regulations in the insurance are listed below.

FIRE

You must not use candles or any open flame in a way that poses a serious risk of starting a fire. The same applies to embers (e.g. smoking in bed).

WATER DAMAGE

you must make sure that taps do not leak and that they are always fully turned off when not in use.

THEFT

There are limitations on the amount of compensation we will pay you for certain items, e.g. money, valuable documents, golf equipment and bicycles. Your home must be locked when left unoccupied. As a rule, outside the home, possessions should be locked away if you must leave them unattended. Possessions that are particularly prone to theft are subject to special limitations. Outside of the home (this also applies to attics and cellars), compensation is limited to SEK 30,000 (SEK 50,000 if you have Home Insurance Extra or SEK 80,000 if you have Home Insurance Premier).

LIABILITY INSURANCE

Liability insurance does not cover money, valuable documents or goods that you have borrowed.

You must manage your property so that it is not exposed to a significant risk of damage or loss.

TRAVEL COVER

You are not entitled to reimbursement for costs related to an injury or illness for which symptoms existed before your trip.

For people who are not registered in Sweden and are not permanent residents in Sweden, we will only provide compensation for damage or loss arising in Sweden.

COMPENSATION PAYMENTS

As a rule, compensation for stolen or damaged goods is paid at market value, i.e. what it would cost to buy the equivalent item in second-hand condition. For items that are relatively new – where the market value is at least 70% of what the corresponding new article costs – you will receive compensation commensurate with what the new item costs provided you buy it within six (6) months. Our full terms and conditions include a table showing how we calculate the market value of certain items.

EXCESS

An excess is the amount of money that you yourself have to pay towards a claim. You can choose the excess you want to meet your needs. For legal expenses cover, the excess is 25% of the cost, although no lower than the excess that otherwise applies to the insurance policy.

CALCULATING THE COST OF YOUR INSURANCE

When we calculate the cost, we take several factors into account: the amount of the sum insured, your age, the number of members in the household and where you live. The sum insured must cover the total value of everything included in your policy, unless you have a group contract

with a fixed sum insured. When you buy your home insurance, you must provide a figure for the sum yourself. If it is too low, there is a risk that you will receive a reduced payment in the event of a claim.

SIMPLE TO PAY

You choose the method and intervals of payment that suit you best; annual, half-yearly or monthly.

A SEK 25 fee per invoice will apply if you choose to receive a printed invoice. You will not be charged any additional fee if you pay via direct debit or electronic invoices sent directly to your online banking service.

WHEN YOU HAVE PURCHASED YOUR INSURANCE

We will send the policy schedule and other insurance documents to you. Please check that the information contained in the policy schedule is correct. The insurance is valid for one (1) year at a time and is renewed automatically and in good time.

IF WE DO NOT AGREE

Always begin by contacting the person who handled your case. They may be able to provide you with further information and clarify any misunderstanding.

IF'S CUSTOMER OMBUDSMAN

If you are still not satisfied, you can contact the Customer Ombudsman who reviews most cases free of charge. You need to do so within six (6) months of receiving notification of If's decision.

IF'S CUSTOMER PANEL

If you do not agree with the decision of the Customer Ombudsman, it is possible in some cases for you to contact our Customer Panel, which includes a number of "ordinary customers" and which determines how the case should be resolved.

THE NATIONAL BOARD FOR CONSUMER DISPUTES (ARN)

It is also possible to refer your complaint in most cases to the department that deals with insurance matters at the National Board for Consumer Disputes.

THE SWEDISH PERSONAL INSURANCE BOARD

You can also contact the Swedish Personal Insurance Board, which is an industry-wide board that can assist in cases that require a medical assessment.

THE SWEDISH BOARD FOR LEGAL PROTECTION INSURANCE ISSUES

You may refer your case to this Board if you wish to appeal a decision regarding your legal expenses cover.

COURT OF LAW

As with other disputes, you can also refer your case to a court of law.
